

ABOUT OUR SERVICES

RegOnsite is a leading event registration provider, focused on cost effective solutions for the Exhibition and Conference market.

Combining an extensive knowledge of EventsAir with an ever-expanding supply of the latest equipment – RegOnsite has grown to become a fully-fledged industry partner.

Our services cover a range of requirements, starting from dry hire of check-in stations for small events and roadshows to fully managed solutions for Conferences, Exhibitions, Gala Dinners and ticketed functions of all shapes and sizes.

Our passion for efficiency and innovation ensure our customers benefit from the best service quality for their production dollars.

We can step in to assist at any point of the production cycle, including badge design, app design, onsite-page creation with equipment & staff support to many EventsAir customers.
